**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Giant corporation control so much already at least give us a small slice of freedom. When you sit so high up it can be impossible to empathize with the 99% but at the end of the day - of everything, these decisions fueled by greed will get your soul no where.
